Welcome home to space, flexibility, & comfort wrapped in charm—this thoughtfully laid-out 4-bedroom, 2-bath ranch-style home is designed to adapt to real life. The moment you step through the front door, the main living room greets you with a warm, welcoming feel—perfect for everyday living or hosting friends. Just beyond, a flex space connects the living areas—ideal for a home office, playroom, or reading nook, creating a natural connection between living areas while keeping everyone comfortably close. One of this home's standout features is the oversized primary suite, currently styled as a second living room—a true bonus space buyers crave. French doors lead directly to a covered back porch, offering effortless indoor-outdoor living & views of the fully fenced backyard, ideal for pets, play, or peaceful evenings outside. This space can easily transition back to a traditional primary bedroom & includes a private ensuite bath with tub/shower combo, a large window that floods the room with natural light & a walk-in closet. Off one side of the home sits the galley-style kitchen w/a cozy breakfast nook, perfect for morning coffee or casual meals. Just beyond the kitchen is a private bedroom, ideal for guests, older kids, or anyone needing a little separation from the rest of the home. On the opposite end of the house, you'll find 2 perfectly positioned bedrooms for kids or guests, along with a full hall bath. Each bedroom offers
